**Motion to approve the lowest bid from RBC Bank at 3.35% for the 36-month financing of \$140,000 for Sheriff's Patrol Vehicles – Leon Harmon:** Chairman Patton introduced the following resolution which was read:

**RESOLUTION AUTHORIZING THE EXECUTION AND DELIVERY OF AN INSTALLMENT FINANCING CONTRACT IN THE AMOUNT OF \$140,000.00 WITH RBC BANK (USA) TO FINANCE THE ACQUISITION OF CERTAIN EQUIPMENT FOR USE BY THE COUNTY OF LINCOLN, NORTH CAROLINA, AUTHORIZING THE EXECUTION AND DELIVERY OF RELATED INSTRUMENTS, AND DETERMINING OTHER MATTERS IN CONNECTION THEREWITH**

BE IT RESOLVED by the governing body for the County of Lincoln, North Carolina (the “Unit”):

The governing body of the Unit does hereby find and determine:

The County of Lincoln proposes the acquisition of certain equipment, which may include fixtures as more fully described in the hereinafter mentioned Contract (collectively, the "Equipment");

After consideration, the governing body of the Unit has determined that the most advantageous manner of financing thereof is by an installment contract pursuant to Section 160A-20 of the General Statutes of North Carolina, as amended;

Pursuant to Section 160A-20, the Unit is authorized to finance the acquisition of personal property, including fixtures, by installment contracts that create a security interest in the property financed to secure repayment of the financing; and

RBC Bank (USA) ("RBC Bank (USA)") has proposed that RBC Bank (USA) enter into an Installment Financing Contract with the Unit to finance the Equipment pursuant to which RBC Bank (USA) will lend the Unit then amount of \$140,000.00 (the "Contract") and a related Escrow Agreement between the Unit and RBC Bank (USA) (the "Escrow Agreement").

The governing body of the Unit hereby authorizes and directs Leon Harmon to execute, acknowledge and deliver the Contract and Escrow Agreement on behalf of the Unit in such form and substance as the person executing and delivering such instruments on behalf of the Unit shall find acceptable. The Clerk is hereby authorized to affix the official seal of the County of Lincoln to the Contract and the Escrow Agreement and attest the same.

The proper officers of the Unit are authorized and directed to execute and deliver any and all papers, instruments, opinions, certificates, affidavits and other documents and to do or cause to be done any and all other acts and things necessary or proper for carrying out this Resolution and the Contract and the Escrow Agreement.

Notwithstanding any provision of the Contract or the Escrow Agreement, no deficiency judgment may be rendered against the Unit in any action for breach of a contractual obligation under the Contract or the Escrow Agreement and the taxing power of the Unit is not and may not be pledged directly or indirectly to secure any moneys due under the Contract, the security provided under the Contract being the sole security for RBC Bank (USA) in such instance.

The Unit covenants that, to the extent permitted by the Constitution and laws of the State of North Carolina, it will comply with the requirements of the Internal Revenue Code of 1986, as amended (the "Code") as required so that interest on the Unit's obligations under the Contract will not be included in the gross income of RBC Bank (USA).

This Resolution shall take effect immediately upon its passage.

Upon motion of Arena, seconded by Klein, members of the governing body, the foregoing resolution entitled "**RESOLUTION AUTHORIZING THE EXECUTION AND DELIVERY OF AN INSTALLMENT FINANCING CONTRACT IN THE AMOUNT OF \$140,000.00 WITH RBC BANK (USA) TO FINANCE THE ACQUISITION OF CERTAIN EQUIPMENT, AUTHORIZING THE EXECUTION AND DELIVERY OF RELATED INSTRUMENTS, AND DETERMINING OTHER MATTERS IN CONNECTION THEREWITH**" was passed by the following vote:

Ayes: Commissioners Patton, Carlton, Arena, Klein and Mitchem.

Nays: none.

PASSED AND ADOPTED this 5th day of January, 2009.

**Motion to allocate the remaining sewer flow capacity in the Forney Creek Wastewater Treatment Plant as recommended by the County Manager in his December 29, 2008 Memorandum – George Wood:** Mr. Wood presented a memorandum to the Board along with a spreadsheet concerning flow allocation. He recommended allocating the remaining flow capacity in the Forney Creek WWTP as shown on the spreadsheet, which deletes any flow capacity for the Carolina Ridge development due to the fact that their flow acceptance letter is now expired.

**UPON MOTION** by Commissioner Carlton, the Board voted unanimously to approve the allocation of the remaining sewer flow capacity in the Forney Creek Wastewater Treatment Plant as recommended by the County Manager.

**Odor Control Proposal for Pump stations #3, #4, and #5 – Steve Gilbert:** Steve Gilbert presented a proposal from Siemens Technologies for odor control systems at Pump Stations 3, 4, and 5. Mr. Gilbert recommended Option 2, which will serve us the best. This option involves the installation of a chemical drip system at Pump Station #3 on Blades Trail near Burton Lane, a drip system at Pump Station 5 on Lakeshore Road South, and chemical biofilters at pump stations 3 and 4. The cost of this option is \$3,800 per month and a one-time mobilization fee of \$3,100. This arrangement is similar to the lease agreement already in place for pump stations 11, 12, and 28.

Commissioner Klein asked if leasing the equipment is the only option. Mr. Gilbert stated that this is the only option with Siemens.

Commissioner Arena asked how these compare to what is at pump station 12. Mr. Gilbert stated that at pump station 12, there is the biofilter. The drip systems are at 28 (Burton Lane) and 11 (west of Hwy 16). Those combine and run into pump station 12, so by the time it reaches pump station 12, it has been fully treated with the chemical drip.

Commissioner Arena stated that during periods of high rain, there is still odor at pump station 12. Mr. Gilbert stated that he will be speaking with Siemens about this.

**UPON MOTION** by Commissioner Carlton, the Board voted unanimously to approve the odor control proposal for pump stations #3, #4, and #5.

**Public Comments:** Chairman Patton advised that this was the time the Board of Commissioners would receive comments from the citizens regarding any matter they desired to address.

Tom Daniel, of Westport Lakeside Development, LLC, spoke concerning sewer capacity issues in East Lincoln County. Mr. Daniel respectfully requested that our county staff, County Manager, and elected officials consider very carefully the actual flows, as regulated by the State, when denying viable approved projects, ready to go to construction, the opportunity to move forward with their plans, which are essential to the County's continued growth and economic viability.

Allen Brotherton spoke concerning sewer capacity issues in East Lincoln County. He stated that after meeting with Mr. McKinnon, they are fine and will not proceed any further in the courts.

Being no other speakers, Chairman Patton declared public comments closed.
